Subject: Request for Upgrade of Office Equipment

I am writing to formally request an upgrade of our department's current office equipment to better support our operational needs. Over the past few months, we have observed significant challenges stemming from outdated hardware, which has impacted our efficiency and workflow.

The primary issues include slow computer processing speeds, frequent printer jams, and ergonomic discomfort caused by aging chairs. These issues have led to delays in project completion and increased maintenance costs. To address these concerns and improve our department's productivity, I propose the following upgrades:

- Two desktop computers with at least 16GB RAM, SSD drives, and updated processors
- One multifunction printer capable of high-volume printing, scanning, and faxing
- Ergonomic office chairs for team members to enhance comfort and reduce fatigue

Preliminary cost estimates for these upgrades amount to approximately \$5,000. Investing in modern equipment will result in reduced downtime, higher output quality, and improved employee morale. Additionally, energy-efficient models could contribute to long-term cost savings.

I believe that upgrading our equipment aligns with the organization's goals of maintaining a competitive and efficient workforce. I kindly request your approval to proceed with procurement. I am happy to provide further details or assist with the selection process.
