Consecutive Interpreting

In this approach, the speaker pauses periodically to allow the interpreter to relay the message. It is commonly used in interviews, business negotiations, medical appointments, and smaller meetings.

Whispered Interpreting (Chuchotage)

An informal form of simultaneous interpreting where the interpreter whispers the translation directly to a small audience or individual. Ideal for side conversations or situations with limited interpreting needs.

Escort and Liaison Interpreting

These services involve interpreters accompanying clients during visits, such as hospital tours, legal proceedings, or city tours, ensuring smooth communication in dynamic environments.
